**Keywords:** conversation analysis; pragmatics; reflective practice; second language teaching.

**Palavras-chave:** análise de conversação; pragmáticos; prática reflexiva; ensino de segunda língua.

For this edition of BELT+ we had the honour of interviewing Dr. Steve Walsh, Professor of Linguistics in Newcastle University, U.K., who is committed to teacher education, especially second language teacher education, and enjoys working with teachers to develop a closer understanding of teaching and learning in all contexts. He talks about his areas of interests, namely Conversation Analysis, Reflective Practice and Second Language Teacher Development. This interview took place during this Editor's post-doctoral internship in Newcastle, under Dr. Walsh's supervision.

We hope you enjoy it!
